The Art of Living Lifestyle Show is a ‘whole life’ market place event free for anyone who requires extra support with living or who has an interest in social care.

This Lifestyle Show features over 60 individuals, organisations and companies who deliver a range of social and life services and supports in Glasgow and across Scotland. Would you like to be one of those exhibitors?

It is an opportunity for you to not only showcase your ideas and differences but also connect directly with current and future consumers and associated professionals.

The Art of Living visitors are looking to find out what is on offer in their community and for ideas and choices to make a fuller life. By exhibiting you will be able to tell visitors who you are, what you offer and most importantly get the chance to gain their feedback and ideas.
