

## Capable, Integrated & Fit for the Future

### An event to launch a Multi-agency Capability Framework for intermediate care developed by NHS Lanarkshire in partnership with NHS Education for Scotland

NHS Education for Scotland invites health, social care and housing practitioners to the Radisson Hotel, Argyle Street, Glasgow on **Wednesday 19th May 2010 at 12.30PM** for the National launch of a Multi-agency Capability Framework for Intermediate care.

This framework has been developed in collaboration with NHS Lanarkshire and tested with frontline staff from four partnerships across Scotland.

The event will introduce the tool, outline how to use it in your local partnership and explain how it supports strategic work on intermediate care, Shifting the Balance of Care, Reshaping Care for older people and the Dementia Strategy.

This event is free of charge but in order to plan catering requirements we ask that you register by emailing [Lesley.metcalf@nes.scot.nhs.uk](mailto:Lesley.metcalf@nes.scot.nhs.uk) with your name, designation, employer, contact details and any specific dietary requirements.
