

## **Continuous Learning Framework: CPD & Meeting the Post Registration Training and Learning Requirements Learning Event**

**7th September 2009  
10.00am-4.00pm  
Jubilee House, Forthside Way, Stirling**

### **Learning Event Overview**

This learning event is aimed at social service managers registered or due to register with the SSSC. It will support you to plan to meet the Post Registration and Training Requirements (PRTL) for yourself and your team. More than this, it will enable you to consider the learning environment you are creating and supporting for yourself and your staff groups. It will specifically refresh your knowledge of Continuing Professional Development (CPD) concepts and help you plan your leadership approach to developing learning within your team. This learning event will count towards your own PRTL.

This event will be facilitated by Bev Mealyer, Learning Dynamic ([www.learningdynamic.com](http://www.learningdynamic.com)) and has been designed in partnership with the Workforce Unit and Learning Network Tayforth. Bev is an experienced organisation and learning and development professional. She is known for a style that is about working in partnership with people to facilitate change and brings with her a commitment to developing practice with innovation and energy.

Quotes from previous participants:

“Really good day from both an organisational and personal development point of view. Lots of self reflection and insights gained. Useful tools to share with colleagues. Superb, many thanks”

“Variation of methods of delivery was excellent. Materials available added a fun/creative element. Thoroughly enjoyed this and look forward to future events.”

This event is free of charge. Lunch will be provided and there will be an opportunity to network.

Places will be limited to 20. Our last event in other areas have been very popular and we anticipate great demand for this event also.
