

CCPS MEMBERS SHARE INSIGHTS ON DEVELOPING DIGITAL WORKFORCE SKILLS

- Intergenerational Workforce
- Using Social Media (Yammer)
- Developing media content

SOL CONNECT

- Upskilling staff to utilise SOL Connect Technology
 - Understanding anxieties and concerns of the workforce
 - Providing support to manage a skills gap
 - Offering demonstration sessions to showcase technology, dispel myths and explain benefits for staff
- Offer alternative solutions to manage risk by using Technology
 - Explain the practicalities of this and how this impacts on staff roles
- Keeping safe – Offering options of using technology to keep the person they support safe as well as themselves.
